

# PACKED W PURPOSE

Thank you for your order.

Our team at Packed with Purpose is pleased to help you send meaningful gifts that inspire and delight recipients.

**Invoice & Payment:** You should receive an invoice within a few days of your ship date. For volume orders, you may be required to make a nonrefundable deposit of up to 50% of your order in advance of your ship date. To pay with credit card or ACH/Bank transfer, click "Review and Pay" directly in your invoice email. Note that invoices paid via credit card will be assessed a 3% processing fee, which can be avoided by paying via ACH.

**Addresses, Returns & Cancellations:** Please note that we are unable to reship gifts that are sent back to our fulfillment center due to the perishable nature of our gift products. As such, **all addresses in your order form are considered final**. Once your order has been submitted to our fulfillment center, there will be a \$50 fee to change or remove any addresses. Though we are happy to accommodate address changes in this way, please note that this will result in your full order being pulled from the queue and may result in a later shipping date. We cannot honor any cancellation requests once the gifts have shipped. Any request to cancel an order that has already been submitted to our fulfillment center is subject to a \$50 cancellation fee.

**Timeline:** Most orders ship in 1-3 business days from confirmation. For custom or unique orders, our [Gift Concierge](#) team will work with you to meet deadlines and provide accurate and transparent information on order times.

**Shipping:** To best serve your shipping needs, Packed with Purpose customers may choose from the following shipping options for volume orders.
